# REMEDY FOR

mel Tablets, Cut Short Colds nd May Prevent Flu By Keeping Liver Active.

Physicians have learned from experience, during the epidmic of influnza, that one of the most important feators in the prevetnion of flu and pneumonia is to keep the liver active so that the digestive organs may be in perfect working order and the system thereby enabled to throw off colds, check sore throats, and resist serious complications. For this purpose they have found that the new. nausealess calomel tablets called Calotabs, are far more effective even than the old style calomel. which was formerly the universal favorite, as Calotabs do not weaken the patient, nor interfere with the appetite and digestion.

At the first sign of a cold or sore hroat, doctors recommend one Calotab at bed time with a swallow of water, that's all. Na salts, no nausea, nor the slightest interference with your diet, pleasure or work. Next morning you wake up feeling Brown where a vou are a defendent. This 13th day of Sept. A.
